Just the kick in the teeth act country needed...Jesse Bryant “The Last Real Outlaw”

(Gassaway, WV) – Veteran singer/songwriter Jesse Bryant and his record label HBM Productions will be holding a free/open to the public Christmas dinner at the Gassaway Community Building on Thursday, December 21st from 6:00 to 8:00PM. Jesse and the gang will be dishing up a wonderful meal catered by local favorites the “City Diner.” The dinner will be followed by an intimate performance with “The Last Real Outlaw” Jesse Bryant. Jesse will be playing tracks from his upcoming release **The Last Real Outlaw**.

Jesse Bryant’s second album **The Last Real Outlaw** will hit the streets in early 2007 (HBM Productions & Record Label). Showcasing an outlaw lifestyle and largely self-penned collection, **The Last Real Outlaw** attests to the hand to mouth country mentality that made Outlaw Country popular. Eric Wayne, host of the Red Dirt Radio Hour (Tulsa, OK) stated, “Every family has that outlaw uncle. Well country music now has that outlaw uncle and his name is Jesse Bryant”.

Bryant is certainly no stranger to the road. He has paid his dues time and time again making his first marks on the music scene by the early age of seven. On Jesse’s first outing he reaped the benefits of “on the road” songwriting, “There is nothing like writing on the road, it’s as if the soul and emotion pours through the pen a little easier out there,” beamed Jesse.
