Lofton Creek's Kristina Cornell Aids Leukemia Lymphoma Society of Pennsylvania

Kristina Cornell joins the **Povertyneck Hillbillies** at the 6th Annual Frosty's Hillbilly Jamboree to benefit the Leukemia Lymphoma Society. The Frosty's Hillbilly Jamboree was organized by Chris Higsbee of the Povertyneck Hillbillies in memory of his father. Cornell, who broke through the country charts this summer with her September 11th inspired track *Little Red Balloon*, performs at 7PM. Her debut release, **It's a Girl Thing**, hit shelves on Tuesday, August 7th and has received rave reviews from industry leaders.

Robert K. Oermann of Music Row Magazine stated, "(*It's a Girl Thing* is) Very snappy! The band cooks with gas, and the rollicking gal-power lyric is a blast. I'd program this in a heartbeat." She turned to the legendary **Dave Gibson** of the **Gibson/Miller Band** to guide her raw country approach not only as producer, but also as co-writer on all but one of the tracks. With a personality that is so warm and easy going, her infectious laugh and witty humor are as unforgettable as her voice. The current album is a diverse combination of heart-felt ballads, like the first single *Little Red Balloon* and up-tempo enjoying-life anthems, *It's a Girl Thing* and *Real Man*.

Kristina, whom has landed acting roles in videos for numerous artists including Vince Gill, Travis Tritt, and Terri Clark, has been performing professionally since the age of 14. "Performing is all I know how to do," says Kristina. "Seeing three and a half minutes of music change someone's life means everything."
